Monday mornings at 11 o'clock there is a cooking class for girls where simple recipes are followed and fundamentals taught; and contests. Thursday will be Goofy Day — a different theme for each week such as Pioneer Day, Space Day, 49'er Day, etc. Special contests and prizes will be featured for Goofy Day. Cook-outs will be held on these days for all those who want to bring the fixings; we will supply the marshmallows, punch and cook-

Thrity Leaves Albany for Home

THRITY DADACHANJI

The L. D. Stocking family of 1289 Brighton Ave. were host at an Open House from 2 to 5 p.m. June 15 so that many Albany friends could say their farewells to Thrity Dadachanji, who has been staying with them for the past year.

Thrity, who came from Karachi, Pakistan, under the auspices of the American Field Service, has been attending Albany High with her "sister" Judy Stocking. She has made her home with "mother" and "father" Stocking, "sister" Judy, and "brother" Fred.

Thrity will leave Albany to go to Crockett on June 21 accompanied by the Stocking family. On June 23, she will join about 70 other AFS's for a 3 weeks' tour of the United States.

She has been a welcome and loved member of our community this past year and has shared her time and talents freely with us.

Thrity says: "I thank you all whole heartedly. It has been simply wonderful getting to know you people and your country, especially of Albany. I will be gone soon — physically, but mentally I'll always think of you and Albany, and the delightful memories of my stay here."

High School Safety Plan Discussed

The Albany Board of Education spent the major portion of the regular meeting of June 11 discussing problems pertaining to the four old buildings at Albany High School which were to have been replaced by the bond election of May 28, 1963.

The President, Mr. Charles A. Pinkham, pointed out that the earthquake which damaged Antioch Junior High School on June 7 is an object lesson as to what could happen here in Albany had the center of the earthquake been in this area.

Board members expressed the opinion that the safety factors discussed in connection with the May 28 election were still of very serious concern, and even though the Board had no legal responsibility in the matter of continued use, they expressed grave concern about the continued use of facilities which do not meet either fire and panic safety standards or the provisions of the earthquake law.

Because of the extreme urgency and seriousness of the problem at Albany High School, the Board of Education took the following action at its meeting on June 11:

Directed the Superintendent to determine from appropriate State agencies what might be done to the Annex Building by way of correcting fire and panic safety hazards and the extent to which the Department of Public Works might be involved in requiring the Board to correct structural deficiencies under the provisions of the earthquake law.

Directed the Superintendent to develop a plan of consolidation of the present curriculum and facilities away from those buildings at Albany High School which are deemed structurally inadequate and not conforming to fire and panic and earthquake codes.

Directed the Superintendent to determine from the District Attorney the possibility of holding a bond election on or about November 19 in conjunction with the election which the County Superintendent has called concerning the formation of a Junior College District.

Directed the Superintendent to arrange a joint meeting with the City Council for July 2 for the purpose of discussing the seriousness nature of the problem involving the four non-conforming buildings at Albany High School and review the possibility of a bond election for the late fall of 1963.

PARTICIPATING IN THE GROUND-BREAKING for Albany's largest apartment house to date were, left to right in the rear, Ben Harry, architect, Councilman George Hein, Jack Davis, John Rule, John Bewly, representative from Fidelity Founders Savings and Loan, Vice-mayor Lewis Howell, Jack Butler, Councilman Joe

Albany City Officials Participate In Ground Breaking Ceremonies

The ground breaking ceremonies for the new 60 unit apartment building at 1250 Brighton Avenue in Albany was held Tuesday, June 11, 11:30 a.m.

This will be the largest apartment building in the City of Albany. The building replaces the Golden Gate Stucco Company buildings. For many years the Golden Gate Stucco Company supplied stucco and ready mixed concrete to the entire East Bay Area. The new apartment house with its 60 units will present a new complexion to the City of Albany and to the immediate area. The apartment house is conceivably in the center of

a new hub in Albany.

The building will consist of 60 apartments with soundproof floors on a lot 41,905 square feet with underground garage and street level carports. Two elevators and a swimming pool will grace the buildings; sauna and a therapeutic pool with jet streams are added attractions.

The invited officials and guests were Mr. Harold V. Taylor representing the Owners (East Bay Properties), Mayor J. Egenberger Jr., of Albany, the members of the Albany City Council and Mr. J. Turner the City Administrator; Mr. Jim Williams, president, and Mr. Ken Murdock, secretary, of the Albany Chamber of Com-

merce; Mr. Herb Reeves, President of Reeves Construction Co.; Mr. Bob Council, General Superintendent of the Reeves Construction Co.; Ben V. Harry, Architect; R. H. Myers, V. P. of Fidelity Guarantee Savings & Loan; and Sidney Fey, V. P. of Founders Savings & Loan Association.

A Golden Shovel was used by Mayor Egenberger to indicate the official construction of the project that will be completed and ready for occupancy in about 5 months.

A special lunch for the entire group was held at 12:00 in the Dining Room of "Serbs" of Albany.

Realty Board Members Go To Tahoe

Over 50 members of the Berkeley Realty Board will converge at South Lake Tahoe June 20-22 for committee members and a directors' meeting of the California Real Estate Association.

Jay Force, president of the board, the officers and directors will be included in the local contingent.

Representatives from all 171 member real estate boards in the state will attend the important convolve.

Many special conferences will be held on opportunities in resort property, home-trade-ins, exchanges and real estate board multiple listing services.

Jerome Blank, Albany Realtor and former president of the Berkeley Realty Board, will be one of the main speakers at the home-trade-in clinic conference.

L. H. Wilson of Fresno, president of the 39,000-member association, and Milton G. Gordon, California Real Estate Commissioner, will be among the main speakers.

On June 22 the CREA's board of directors (over 800 members) will hold the 340th session of the group.

The three-day conference also provides entertainment events for Realtors and their wives, including a golf tournament.

Albany Adult Education Offers Summer Session

For the 16th consecutive year, the Albany Adult Education Center will offer a 7-week summer session, extending from July 1 to August 17. No advance registrations are necessary; those enrolling may register at the opening session of the morning, afternoon or evening class they will attend.

Young students, who will be entering grades 8 to 12 this fall may enroll in the varied course offerings as well as adults and minors no longer enrolled in day high school. Registrations will be accepted from those residing in or out of Albany, except that the junior and senior-age high school students residing and attending school out of Albany cannot be registered in typing. Also, this group of students will be the first to be excluded from any over-crowded adult class. It is emphasized, however, that no classes will be established solely for young students; all classes at the Center are established and maintained for adults.

The tentative schedule of classes covers a wide variety of

classes, including: Art, landscape, figure portrait work; ceramics—pottery, mold making, and mosaics; clothing — basic patterning, pattern drafting, dress-making and tailoring; costume finishing and tie making; decorative arts — floral techniques and jewelry and metal craft; driver education—classroom work only; floor coverings — braided rug techniques; infant guidance; millinery; music appreciation—harmony, jazz and piano; needlecraft—knitting; piano and piano harmony; physical conditioning for women; swimming instruction; business subjects — book-keeping, business machines, shorthand, and typing; braille; electronics; English refresher and English for new Americans; foreign languages — French, German, Italian and Spanish; photography — color-slide techniques; rapid reading; real estate; self-improvement; speech; U. S. History; upholstery; woodshop; writing for magazines.

EVELYN AVENUE WINS APPEAL TO KEEP FOUR-PLEX OFF BLOCK

On the motion of Councilman George Hein for a reversal of the decision of a Use Permit granted James Construction Company for a four-plex at 1640 Evelyn Avenue, the Albany City Council, Monday night, June 17, voted 3-1 to uphold the Appeal filed by the property owners.

Art Show and Bazaar Set For Albany

Albany is asked to "Get Ready For The Big Show" scheduled for August 23, 24, and 25, to be held on the Key Route strip featuring art exhibits, merchants' displays, live entertainment, fashion shows, refreshments and "a host of other events."

Sponsored by the Albany Chamber of Commerce, under the general chairmanship of Kenneth L. Forry, the show will be a "first" for the City of Albany, and Albany merchants are enthusiastically booking space for exhibits of merchandise or the sponsorship of well-known Bay Area artists.

As a preliminary step to final culmination of plans, residents on the Key Route strip are requested to visit the House of Fabrics, 1275 Solano, on Saturday, June 22, from 10:00 a.m. to 12 noon, and from 1:00 p.m. to 3:00 p.m., to study the diagram of the Fair and consult with artist Joe Stone for reassurance of their safety of property rights during the three-day affair.

The structural design will also be on exhibit at the City Council meeting on the night of June 24 for study and discussion.

Saler's Opinion On Tree Cutting

The question of the "tree cutting" on Albany Hill became moot a short time after the furor in the Council meeting on June 10. The following morning the owner of the property in question, Thomas Ferguson, called an end to the removal of trees that had been selected by his architect to make way for contemplated construction.

On the question of "what might have been," the City Attorney, Lawrence D. Saler, informed the Council that under the circumstances of this particular case, he could find no legal basis to enjoin the private landowner from removing selected trees on his own property. As the matter stood, a public nuisance could not be found to allow the City to take any action for an injunction.

lessons, kickball, softball and other sports events with competition from Memorial and Community Center. The Drama Club will again hold their special programs for special occasions and the wading pool will be open on every occasion that weather permits. Two nights a week Terrace Park will be opened until 8:00 p.m. We invite the parents to come up and join us in a game or following will be inside games, steal the bacon, circle games, badminton and volleyball. In the afternoon from 12:00 to 3:30 the Albany Duplicate Bridge Club meets; at 4:00 movies on nearly all subjects from shooting the Grand Canyon in a rubber raft to comedy will be shown until 6:00 p.m. Evening activities will include folk dancing with the Vasa Dance Club, softball league,

little league and movies for adults.

Wednesday morning we are very fortunate to have a volunteer artist conduct a class in "Looking at Nature." From 11:00 a.m. until 2:00 p.m. there will be a field trip where children 10 to 14 may learn to see and appreciate what is around them in the wide world of nature and then express it on paper. Also scheduled is a period of quiet games, sing-along and musical chairs. In the afternoon, there will be exchange games with other parks and from 4:00 to 6:00 a cook-out. At six in the evening there will be adult softball. Little League followed at seven by T. O. P. S., a national weight-reducing club. Thursday morning arts and crafts until noon, duplicate bridge from noon to 3:30 p.m. We are again very pleased to have Mrs. Joanne Nenneman here to conduct her classes in folk dancing. This summer the classes will be divided into two

groups — grades 1-3 will meet from 10:00 to 11:00 a.m. and grades 4-6 from 11:00 a.m. to 12:00 Noon. Specialist will frequently appear to demonstrate a particular dance step and often in most colorful costumes. The afternoon brings Tournament Day. Competition and prizes are awarded to the winning child in a wide field of events, and it is amazing to see just how proficient our modern child really is. In the evening a basketball league is forming and there is still room left for a few players and a team.

Friday is Special Events Day which is reserved for a variety of trips into all corners of the Bay Area. On the alternate weeks

there will be a special event at the Center — Circus Day, Bike Rodeo and a bang-up Folk Dance Festival. In the evening the Alteen Club dances are held on alternate weeks and any student or residence of Albany is welcome to attend these functions. To conclude the week, the Filipino Folk Dance Club meets and there is the laughing sounds of voices in the air as children dance between slapping sticks of bamboo.

As you may see the variety of programming includes all age groups. The Community Center welcomes you to use its facilities. If there is some special desire that you wish to fulfill call the directors and they will do their

utmost to organize a program around your interests.

Memorial Park summer program will include a Day Camp for children between the ages of 6 to 12, starting June 24 and ending August 16, a proposed adult program is planned for evenings and week ends; men's horseshoes, tennis classes, and community singing are just a few of the activities planned.

Swimming, bowling, trips and hikes will be included in the program offered to teenagers.

This year the Recreation Department is scheduling a two-week session of day camping at Tilden Regional Park beginning July 22 and ending August 2 for children 8 to 12 years of age. Cost of the two-week session will be \$12.00 to \$15.00 depending upon the number of children enrolled which will include transportation to and from the area, milk at lunch time, a cook-out each week, nature crafts, handicrafts and nature studies conducted by the Park Naturalists. Deadline for sign ups is July 15. For further information concerning any phase of the Summer Program activities, please call the Recreation Department at 525-5704 or 526-6116.

Shutterbugs Win Top Award

Members of the Albany Camera Club are today proudly displaying the first place trophy awarded to them for achieving top honors in competition with 25 other camera clubs in Northern California at the Annual Photography Day at Stern Grove in San Francisco.

The Albany Shutterbugs won their prized trophy for their photography booth depicting a parlor setting of the "Gay Nineties" complete with furniture and accessories collected by the members for the affair.

Thousands of spectators, amateur photographers and judges who viewed the parlor scene at the annual "Photography Day," sponsored jointly by the San Francisco Recreation Department and the Northern California Council of Camera Clubs, voted

it the best of the day.

Members of the Local amateur photography group took turns in the all day affair as models in the booth for photographers to record their efforts on film.

The "models" attired in authentic costumes of the 1890's were: Club President Clement Ralph, Special Events Chairman Lillian Malm, J. William Burnett, Ramona Turnbull, Jennett Ekenberg, Al and Tiny Haven, James and Laverna Shepard and Dale Young.

JEROME BLANK REALTY

Why Is Everybody Building Apartments?

This is a question that is being asked by many people as they see the skyline of Albany and Berkeley changed with new apartment house construction. At the same time, construction of new single-family homes in the urban areas has dropped off to almost nothing. There is no simple answer to this question, but basically, it revolves around the scarcity of land and the population growth of the city. As vacant lots disappear, the price of a single lot becomes greater, until today it costs almost \$10,000.00 to purchase a 50x100 single-family lot in Albany, and in many nearby areas, lots sell for as high as \$20,000.00.

Thus, economics demand that in order to reduce land cost per unit, that more than 1 unit be built on those lots which are zoned for multi-family use. In a recent article, Fortune Magazine predicted that the great majority of the people in this country would be living in apartments as open land disappears, within the next 20 years.

Therefore, the existing supply of homes, especially in our fine Albany residential districts, are increasingly in demand. We can only urge anyone desiring a home to buy it now, because waiting will only increase the cost. Why not check some of our offerings?

Suburban Living

Nestled in sunny Pinole Valley, just minutes from town by freeway, we have listed a most attractive 4 bedroom, 2 bath room home. You'll love the all electric kitchen, which includes washer-dryer combination, garbage disposal, dishwasher, built-in range. Even better yet is the large, fenced yard, ideal for children, and the lovely "lawn-scaped" corner lot. This home, priced at \$22,500 is a fine value. Why not use our home trade-in plan? Evenings, 223-4406.

Ranch-Style Duplex

An unusually fine, custom-built one-story duplex on a large, beautifully landscaped lot. There are only 2 steps up to both front 2 bedroom units and rear 1 bedroom unit. Either apartment would make good owners' unit as each has large living room, good-sized bedrooms, and separate laundry rooms. Also a large double garage, and fenced rear yard. The 2 bedroom unit has brand new wall to wall, plush carpet, and is beautiful to see. Evenings, TH 8-8171.

Redwood Contemporary

If close-in convenience is what you are looking for, this 2 bedroom, 9 year-old Albany Hill home may fit your needs. It has a lovely view of the East Bay hills from the picture window in living room, neat floor plan, dinette, level yard. There's a built-in bookcase, and a unique fireplace. Large basement room, ideal for workshop, hobby. You simply can't go wrong on this home at \$16,950. Can be yours for just \$500 down plus closing costs on FHA terms. Evenings, CA 3-9570.

Charming Bungalow

It's fun to show this neat 3½ room cottage, if for no other reason than its expansive panoramic Golden Gate view from the plank-floored living room; the homeyness of the beam ceilings, and the wall to ceiling fireplace. Kitchen is modern, with formica counters, and there's lots of possibilities for gardening, recreation, on 50x100 lot. An amazing value at just \$12,850.00. Located on the knoll of Richmond Annex. Evenings, LA 5-2884.

Stockton-Fairmont Residence

If you need a small 2 bedroom home in this fine neighborhood of well-kept homes, we've a neat rustic bungalow, only 15 years old, wired 220, with plank floors, fenced rear yard, nice storage shed. Small lot, easy maintenance. A good value at \$14,500. Easy down payment terms. Evenings, LA 5-8271.

San Carlos Ave. Home

Albany's marvelous residential qualities are brought to the fore in this tree-lined avenue. There's an almost New England quality of charm in this neighborhood, and while the 6 room home we offer is an older home, we believe there are many who value the location more than the exact age of the home. Can stand some modernization, but there's lots of living left in this home, and the 42½x100 lot has lovely garden. Just ¼ block north of Solano, 2 blocks to Memorial Park. Evenings, 223-8574.

Investors—Speculators

You should see this modern 2 bedroom bungalow in good Annex location. It's situated on a large lot and has expansion possibilities. Priced at only \$14,950.00, it would make a fine home, or good rental investment. Wall to wall carpeting in living room is included. Evenings, 223-8574.

Large Mira Vista Home

Here's a large, older home with tremendous space, modernized kitchen, 3 bedrooms, central heat, in a fine neighborhood. In an era when homes of this size would cost \$30,000 to build, we believe that the price of \$21,000 is realistic and that it would pay you to look into this if you need a good family home. Evenings, TH 8-9017.

Give Me Liberty

Liberty St., that is. Not only that, but we hope that you won't think because this is not our first ad that we are downgrading the tremendous value found here. Imagine! A 5 year old 3 bedroom 2 bath room home, with beautiful electric kitchen, for \$22,950. Owner is transferred and is anxious for a quick sale. There's a good yard, patio, and storage area in garage. Evenings, TH 8-8211.

For the Artistic

There's an unusual decoration pattern in this Albany 2 bedroom stucco, that will appeal to anyone with artistic bent. Its near Agriculture Lab, and has been recently painted, neatly landscaped, near bus line. Priced to sell, or owner will exchange for other property. Evenings, 223-8574.

Rentals

We have several fine, modern apartments now available. An excellent chance to get settled and have a selection before the Fall rush makes apartment hunting a problem. Here are a few.

Luxury apartment, Marin Avenue. 2 bedrooms, stove, refrigerator, carpets. Now just \$115. Including large garage space.
